# To the Alumni and other Friends of Nassau Hall.

The Editor of the Triennial Catalogue for 1875 has spared neither time nor pains in the effort to render it not unworthy of Alma Mater. He has consulted all the authorities within his reach, and about six hundred additions, changes, and corrections have been introduced into the present edition, while upwards of five thousand were made in the three previous editions, besides the regular triennial increase. His thanks are due to all those who have assisted him in this work, for their valuable contributions; but especially to Ex-President John Maclean, D.D , LL.D., who kindly furnished him with the lists of the Treasurers, and of the Clerks of the Board of Trustees.

The co-operation of the Alumni and other friends of the College is most earnestly solicited for the further improvement of the Catalogue. Each alumnus who may receive a copy of the Catalogue, is requested to communicate immediately any information which it is in his power to give, that will contribute to this object. Biographical sketches, Obituary notices, Memorial Sermons, and letters from the friends of deceased Alumni are desired. Accuracy in names, dates, places and titles should be particularly observed.

Copies of the Triennial and of the Annual Catalogues previous to 1840 are wanted to complete sets for the Library.

Communications in reference to the Catalogue or giving information respecting our Alumni may be addressed to
